

# MAGNETRON - MB2422A-150CF

Kategorie: Magnetrons

## BILDERGALERIE

## ZUSÄTZLICHE INFORMATIONEN

|                                    |                      |
|------------------------------------|----------------------|
| <b>Art</b>                         | Magnetron            |
| <b>Hersteller-Artikel Nr.</b>      | MB2422A-150CF        |
| <b>Leistung CW [W]</b>             | 1250                 |
| <b>Frequenz [MHz]</b>              | 2450                 |
| <b>ISM Band</b>                    | S-Band               |
| <b>Kühlungsart</b>                 | Wassergekühlt        |
| <b>Ausrichtung Kühler</b>          | 0°                   |
| <b>Befestigungsmöglichkeit</b>     | 4x M5 Bolzen (Studs) |
| <b>Richtung Befestigungsbolzen</b> | 0°                   |
| <b>Magnet</b>                      | Permanentmagnet      |
| <b>Kühlwasser Anschluss</b>        | Schlauchtülle Ø11 mm |
| <b>Temperaturwächter</b>           | -                    |
